

WIFE SAVERS

BY MRS. MARY MORTON

Vegetable Toast.—One new carrot, one-half onion, two outer stalks celery diced, one small potato diced. Cook gently in small quantity of boiling water. Drain, add to white sauce, and pour over split, twisted corn meal gems. This will serve two nicely. The yolk of a hard-cooked egg may be grated over the top.

Lemon Custard.—Four table-spoons sugar, two eggs, one teaspoon butter, grated rind and juice of one small lemon, one cup milk. Mix yolks, sugar and lemon together. Add milk and melted butter and fold in beaten whites. Bake a half hour in a moderate oven, setting the pudding bowl in a tray of water.

Sauce Piquant.—Brown two table-spoons butter. Add and simmer gently: one-half cup strained tomatoes, one teaspoon Worcester-shire sauce, one-half teaspoon mustard, one half teaspoon weak vinegar, dash of cayenne pepper.

Spinach.—Spinach is molded while cold, turned out on plate and warmed in the oven, with a dot of pimento on top.

Asparagus Salad.—A few stalks stolen from the previous day's menu arranged on lettuce, sprinkled with grated cheese and topped with boiled dressing.

The woman who has a great deal of mending to do will find no better time saver than a plentiful supply of cotton tape in various widths. The black is very useful for boys' suits, as a reinforcement under buttons or at the ends of buttonholes. Small pieces can be slipped under the corners of pockets that are beginning to tear out, or under small holes where something is needed to darn to.

The white has numberless other uses. Towels, sheets, aprons and underclothes often have long tears that would be bothersome to mend if one had to turn in the edges of a patch. With tape such jobs are quickly done.

Many women pull out corset stays as they prick through, but the life of a pair of corsets can be greatly prolonged if heavy tape is darned neatly over the ends of the stays when they begin to wear through.

To thread a needle when light is not good: When threading a sewing machine needle and one finds it difficult to see the eye of the needle, use a flashlight, having the light shine in the eye of the needle. It can be seen very plainly. People who have poor eyesight will find this a great help.

Baked Beans.—Take two cups of navy beans boiled until tender. Add one-half teaspoon dry mustard, one small onion minced fine, one tablespoon dark molasses, one heaping tablespoon brown sugar, one tablespoon catsup, salt. Bake in bean pot with a piece of fat pork in a slow oven for two or three hours.

Meat Loaf.—Two and one-half pounds beef and pork ground, one egg, one-half cup tomatoes, salt and pepper, breadcrumbs. Get the meat ground at the meat market. Add beaten egg, salt, pepper and tomatoes which have been put through a sieve. Mix well and add bread crumbs. Shape in roll. Bake.

Brown Sugar Cookies.—Three cups brown sugar, three eggs, one cup lard, one cup sour milk or buttermilk, one teaspoon baking powder.

Hospital Drive Will Close Here Wednesday Night

Women Team Members Will Make Final Report Tomorrow

Members of the ten teams of Torrance women who are seeking annual and sustaining memberships in the Torrance Hospital Association will close their campaign Wednesday evening at 5 o'clock. At that time final reports on the drive will be turned in at the Chamber of Commerce office.

der, one teaspoon baking soda, one teaspoon salt, one teaspoon vanilla, flour enough to roll. Cream lard and sugar, add salt and beaten eggs. Stir soda in milk, add baking powder to flour. You can keep out one egg white and make a boiled icing to cover part of the cookies, as this ice will keep well in covered cans for several weeks.

It is sometimes difficult to know what to do with vegetables in a kitchenette apartment or in a tiny house. For the purpose of keeping vegetables fresh there is a rather tall box of enamel which has wire shelves to hold the greens and other vegetables. It is to be kept in a cool, dry place, with the heavy vegetables arranged in the lower part and the greens in the upper.

LENGTH OF SHEETS

Listen, you young women who are planning to be married in the near future and who are consequently laying in a supply of bed linen. Be sure to buy sheets that are a good length, as the most important feature in making beds comfortable is to have the sheets long enough to tuck in securely at the bottom and follow over well at the top. For the purpose of pulling out and of having the blankets get next to the face. Two and three-quarters yards in length meets these requirements. Pillow slips should fit the pillows used comfortably, not too tightly or they crack out quickly; if baggy it spoils the appearance of the bed. Inner cases of colored material are favored by many housekeepers, as they protect the pillow ticks.

Even Job's patience might have given out if he had had to struggle with the dull scissors many women use. When buying, select the best you can possibly afford, never use them for anything but cloth, and have them sharpened when they need it; then smile as you cut.

When fitting linoleum to a pantry floor, or any place where there are little offsets, first lay a paper down and cut a pattern of the hard places. Then cut linoleum by the pattern and it will go down easily and be a perfect fit.

You know how annoying it is to be in a hurry to use the paste pot and find the stopper stuck tight. If you will grease the stopper lightly with vaseline it will never stick.

HINTS FOR CAMPERS
Campers will find the yellow and white and blue and white tablecloth material makes excellent counterpanes for cots or single beds at cottages. The dressing should be washed out before they are used.

Caramel Pudding.—Put one-half cup sugar in a thick-bottomed pan over a very slow fire. Watch carefully, and when sugar is entirely dissolved add two cups milk. The sugar will harden when the milk is added, so cook until it is all dissolved. Then add two table-spoons cornstarch and stir constantly for 20 minutes. Pour in molds and when cool set on ice. Serve with whipped cream.

Meat Loaf.—Mix one pound round steak (ground), one cup bread crumbs, one-half cup milk, one egg, one tomato and one tablespoon butter. Season with salt, pepper, celery salt and sage. Form into loaf and put in greased roaster. Grease the top of loaf well and lay

'HE GOT AWAY'

But to have hooked a giant tarpon like the 180-pounder above is thrill enough. This photo shows one of the silver kings leaping many feet out of water in his efforts to free himself from the hook. Tarpon fishing is at its height in June, July and August around Ft. Lauderdale and other Florida points.

Coming Events

Items for This Department Must Be at Office by 5 p.m. on Day Preceding Publication.

SATURDAY, MAY 30

9 a.m.—Memorial Day Services, auspices American Legion, High School Auditorium.

about three strips of bacon over the top. Bake in moderate oven.

EGGS IN CHILDREN'S DIET

Eggs contain protein of a particularly valuable kind for building the bodies of children, and they furnish many other substances needed for growth. In fact, they run a close second to milk in children's diets. The yolk is richer in iron than any other common food. It is an excellent source of vitamins, particularly the one that helps to prevent rickets. Phosphorus and lime are also present in notable quantities. In feeding children eggs, however, be careful not to give too much at one time. Many children have turned against eggs all the rest of their lives by an early overdose.

DELINQUENT NOTICE

There is delinquent on the following described stock on account of Assessment No. 13, levied July 24th, 1923, the several amounts set opposite the names of the shareholders as follows:

NAME	Certificate	No. Shares	Amount
Mrs. Wm. A. Barragar	540	2 1/2	\$75.00
Elizabeth McDougall	159	1	15.00
W. H. Calhoun	443	1	15.00
Toneo Gemario	63	1	30.00
D. Dodds	Lot 1-4263	3/10	9.00

W. Goslin	544	1	17.00
M. Bradley	745	1	13.00
C. E. Covert	720	1/2	10.00
Kettline & Harding	676	1/2	9.00

And in accordance with law and an Order of the Board of Directors made April 16th, 1924, so many shares of each parcel of stock as may be necessary will be sold at the office of the Narbonne Ranch Water Company Number Four, Lomita, California, on the 27th day of May, 1925, at 8 o'clock P.M. of such day, to pay delinquent assessment, together with costs of advertising and expenses of sale. O. W. THISTLE, Secy.

North and South Side Teams Will Clash Thursday

Ball Game (?) Will Be Perpetrated at C.-C. M. O. Park at 1:30

That baseball game between South and North side merchants, agitated annually by the brothers Vonderahe, will be perpetrated at the C.-C. M. O. ball park Thursday afternoon at 1:30.

The Chanslor-Canfield Midway Oil team managers have generously donated the use of the park. Eddie Copeland says he is even going to have the infield dragged for the game.

Charlie Vonderahe avers it will be dragged some during the game, as well.

Booby Vonderahe announces that the players will have use of the showers after the game.

Bob Lessing will pitch for the North Side outfit and Carl Burmaster will hurl for the South Enders.

The winners will be guests of the losers at a feed at Smith's Ferncroft.
